Chemistry.— Do do

Notification No. 6191, *dated the* 20*th September* 1932.

SUBJECT: M.A., and M.Sc. DEGREE EXAMINATION. (NEW RULES).

It is hereby notified that the examination for the Masters Degree will be fundamentally an examination of four papers and a *viva voce* with a dissertation substituted for 2 papers at the discretion of candidates. The first two papers will be according to a permanent syllabus: the other two being on a special subject chosen from a published list of subjects, it being understood however, that in any year only one such special subject will be examined. The maximum marks for each paper and for the *viva voce* will be 100 and for the dissertation will be 200.

The minimum for passing will be 50 per cent of the aggregate.

The courses of studies will be duly notified.

By Order,

V. GOPALASWAMI AIENGAR,
Registrar.
